

I

Both hands move forward, right remaining behind left.

will follow

him

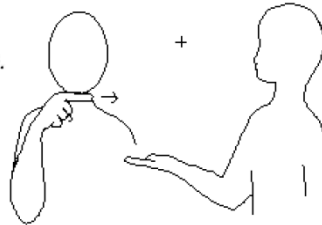

I

Both hands move forward, right remaining behind left.

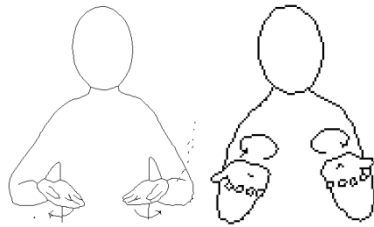

will follow

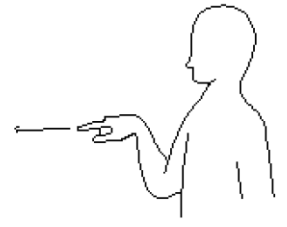

him,

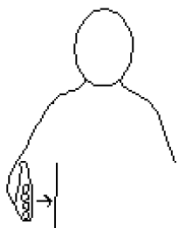

Both hands move forward, right remaining behind left.

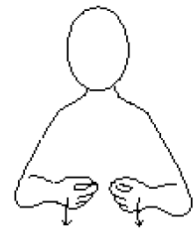

follow him wherever he may

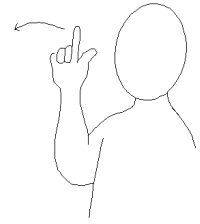

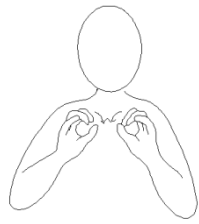

go.

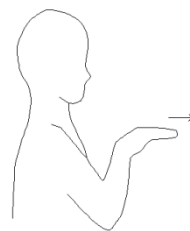

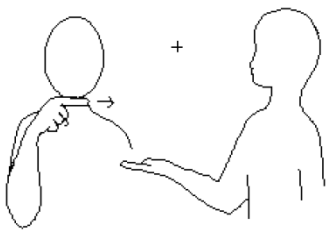

And near him I always will be,

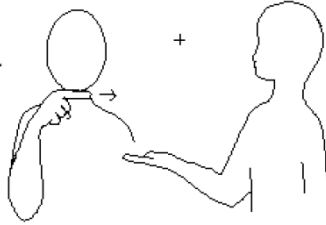

for nothing can keep me away.

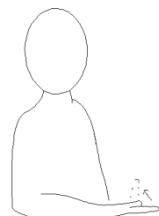

He is my destiny.

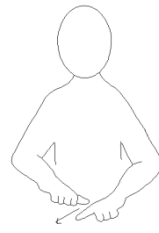

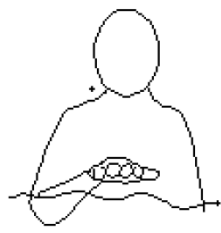

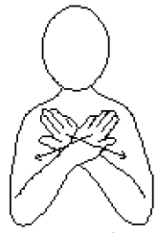

Both hands move forward, right remaining behind left.

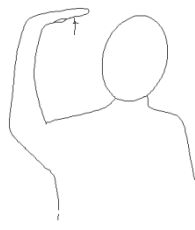

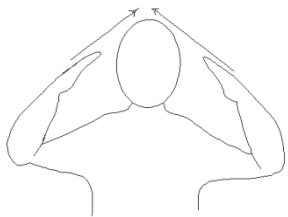

I will follow him. Ever since

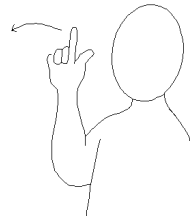

he touched my heart I knew.

There isn't an ocean too deep,

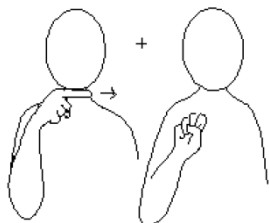

a mountain so high it can

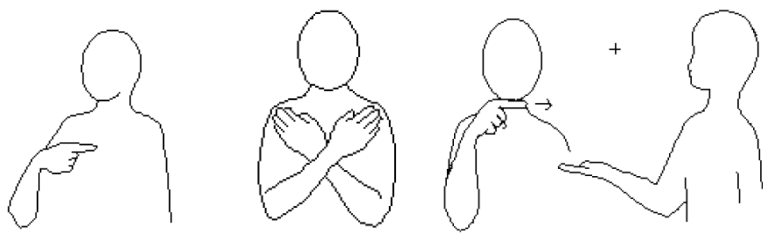

keep, keep me

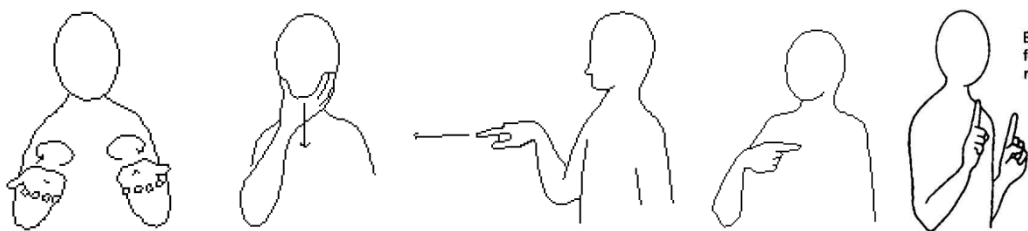

away, away

from his love.

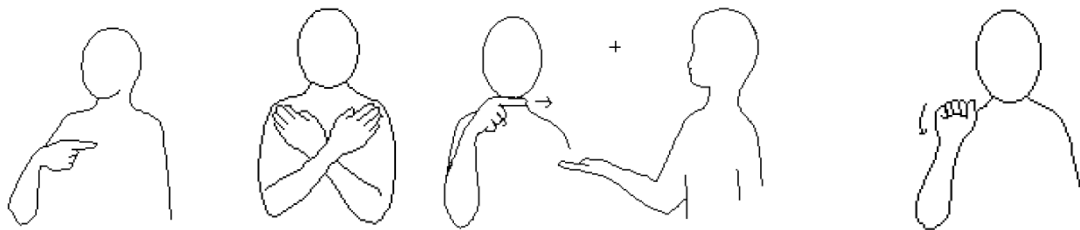

I love him.

Both hands move forward, right remaining behind left.

And where he goes I'll follow.

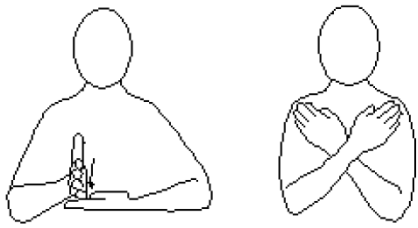

I love him - oh yes I love him.

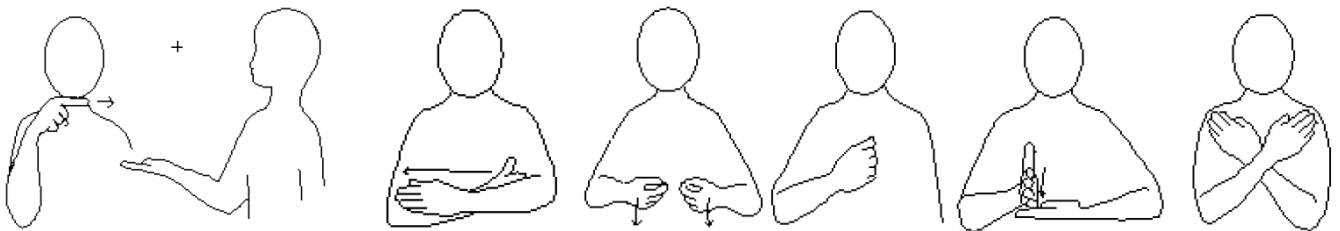

Both hands move forward, right remaining behind left.

Both hands move forward, right remaining behind left.

I'll follow - I'm gonna follow.

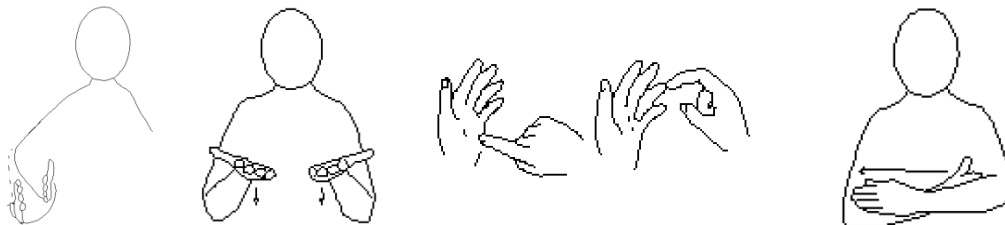

True love,

he'll always be my true love.

Forever.

From now until forever.
