

Some words they can't be spoken only sung

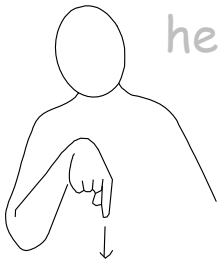

a lot

Palm forward
fist hand
bursts open
while moving
forward

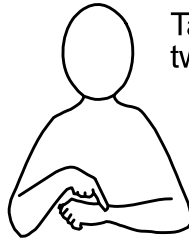

So hear a thousand voices

shouting love

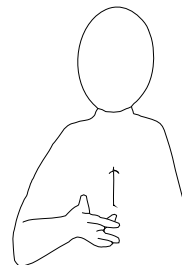

here

Tap
twice

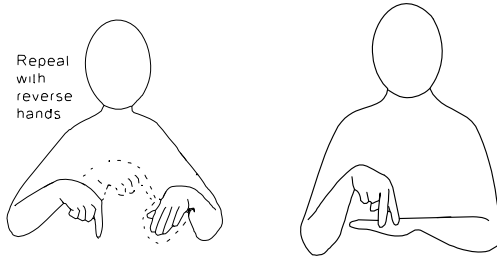

There's a place, there's a time in this life

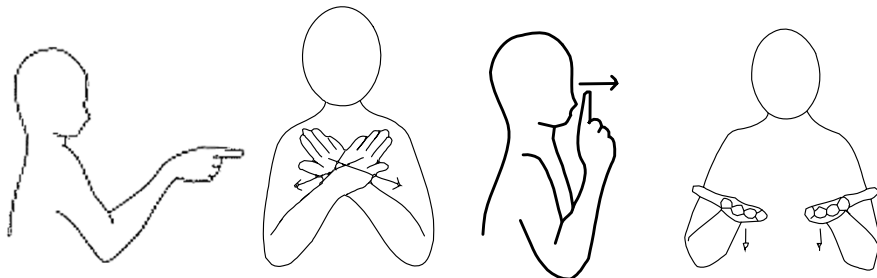

when you sing what you are feeling

Repeat
with
reverse
hands

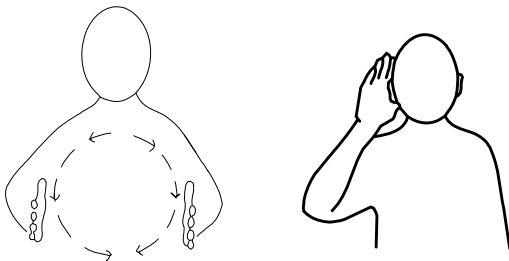

Find your feet, stand your ground

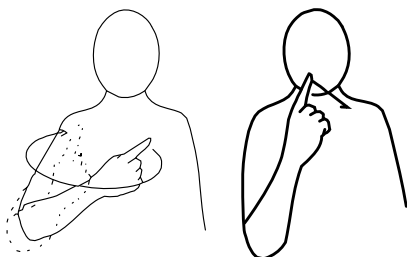

don't you

see

right now

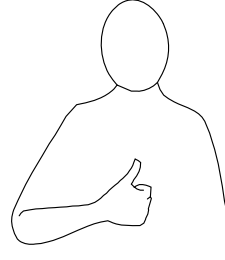

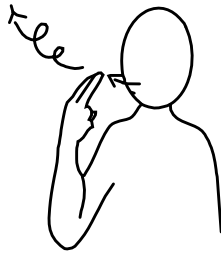

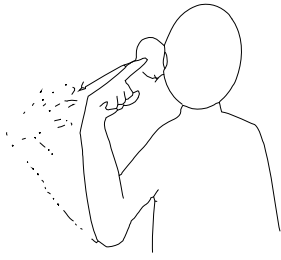

the world is listening

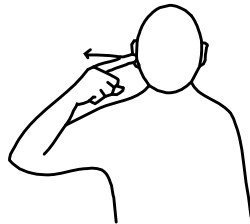

to what we

say

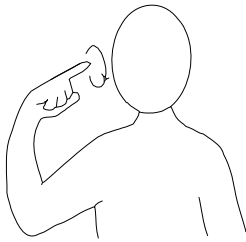

Sing it louder,

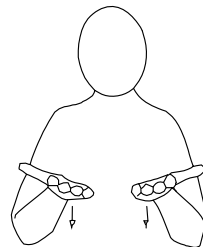

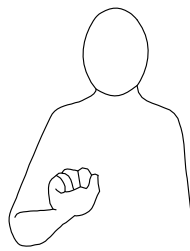

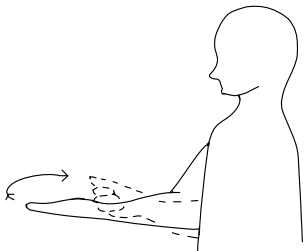

sing it clearer,

knowing everyone will hear you

Make some noise,

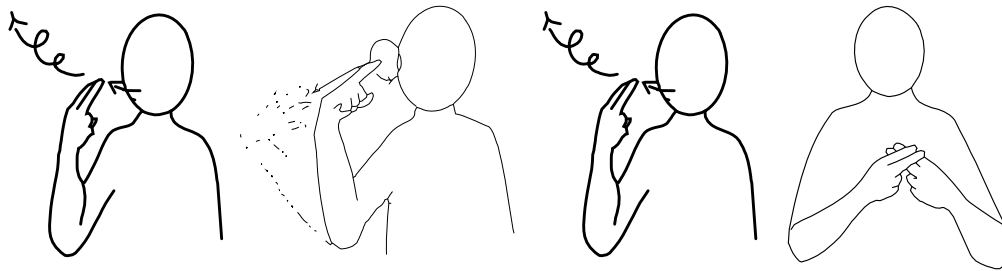

find

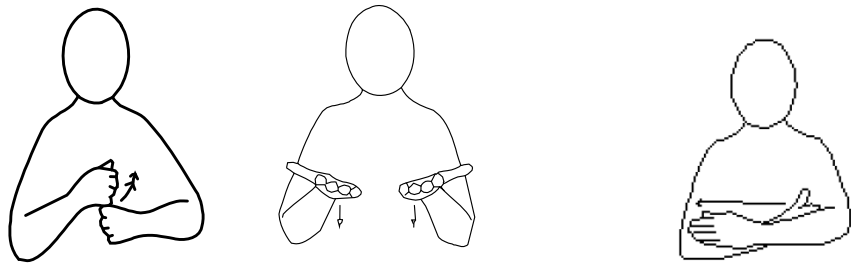

your

voice

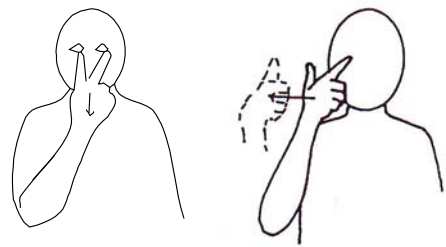

tonight

Sing it stronger, sing together,

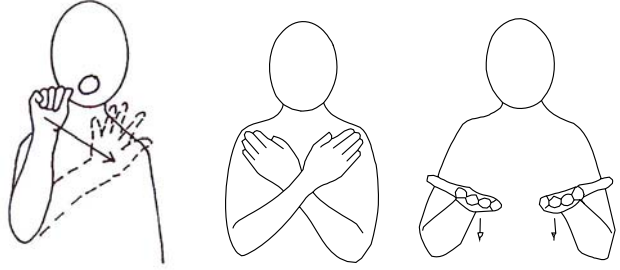

make this moment last forever

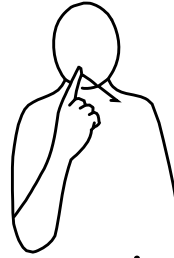

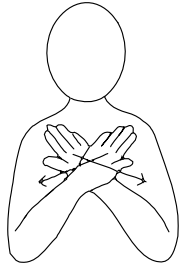

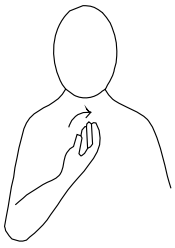

Using 'Y' handshape, move index finger from under the eye, then close into fist leaving thumb extended

Old and young

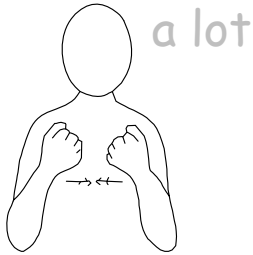

Palm forward
fist hand
bursts open
while moving
forward

shouting love tonight

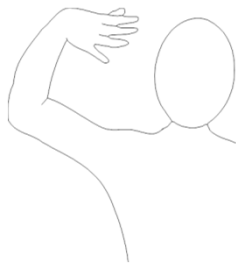

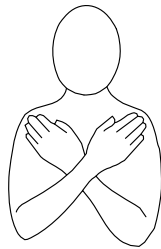

Some words they can't be spoken only sung

To hear a thousand voices

Palm forward
fist hand
bursts open
while moving
forward

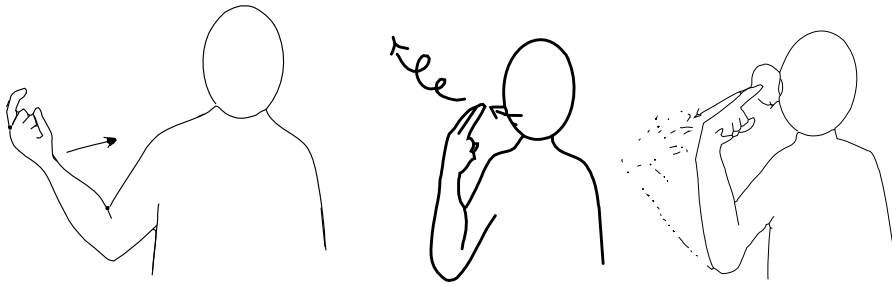

shouting

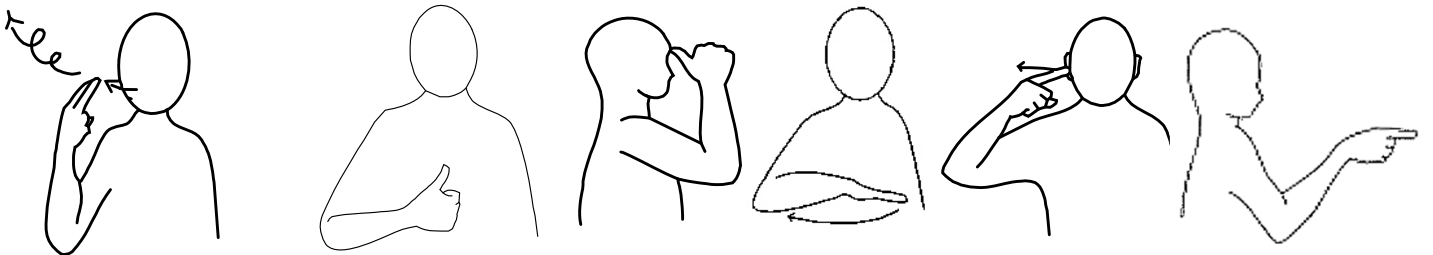

love and light and hope

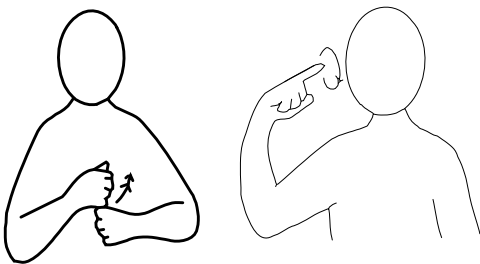

Just si.....ng.... Just si.....ng....

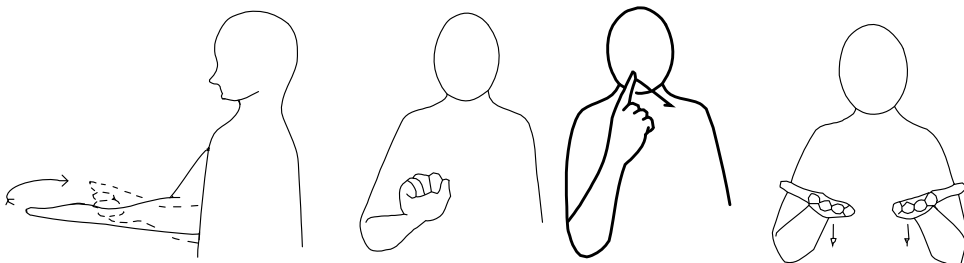

Come all and sing it louder,

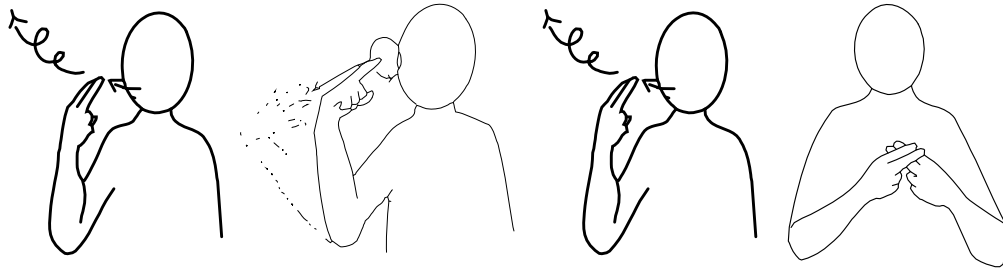

sing it clearer, knowing everyone will hear you

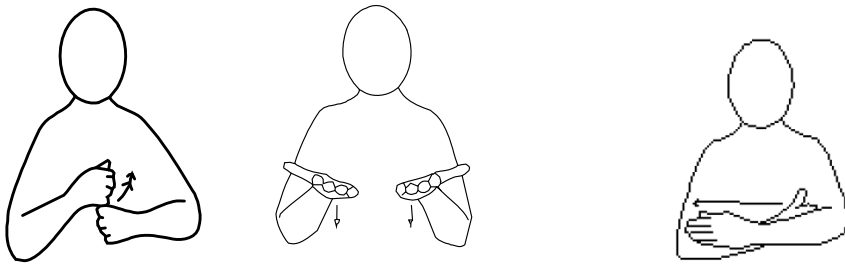

Make some noise,

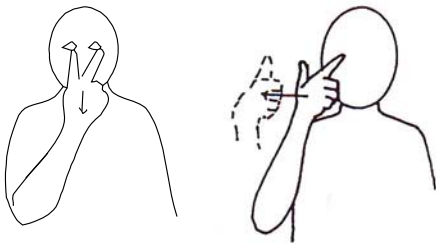

find your voice tonight

Sing it stronger, sing together,

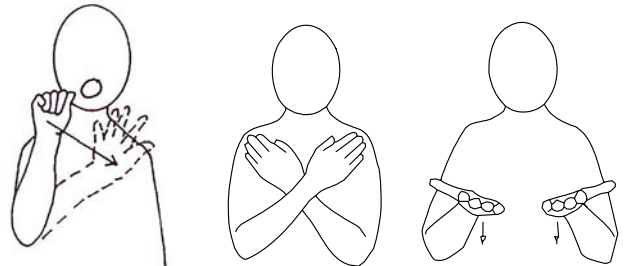

make this moment last forever

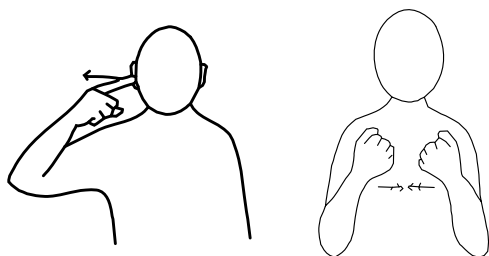

Old and young

Using 'Y'
handshape
move index
finger from
under the e
then close i
fist leaving
thumb
extended

Palm forward
fist hand
bursts open
while moving
forward

shouting love tonight

Hear a thousand voices shouting love

Palm forward
fist hand
bursts open
while moving
forward
