

Something inside so strong

The higher you build your barriers

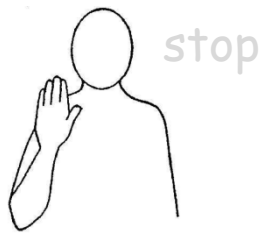

The taller I become

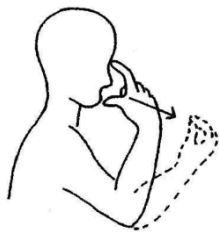

The farther you take my rights away

The faster I will run

You can deny me

mime

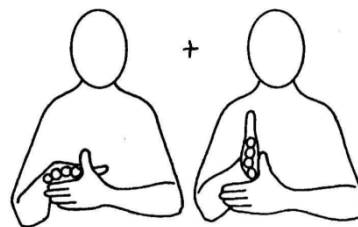

Index finger outlines face

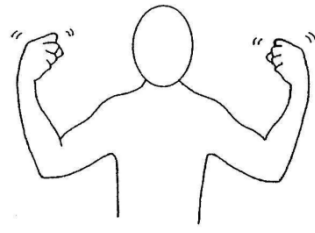

You can decide to turn your face away

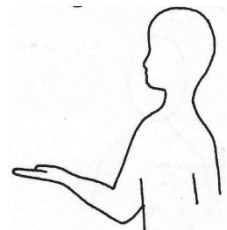

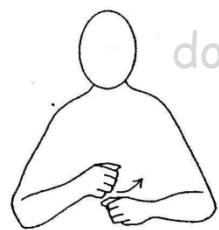

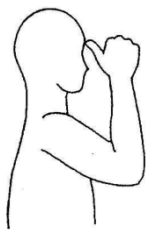

important

No matter, 'cos there's....

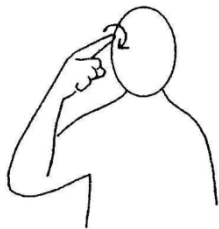

Something inside so strong

I know that I can make it

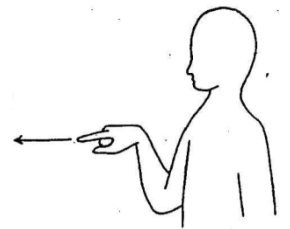

Tho' you're doing me wrong, so wrong

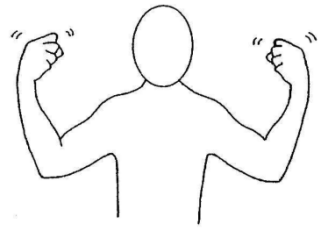

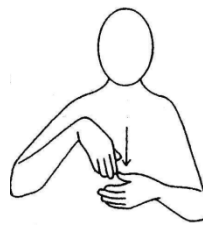

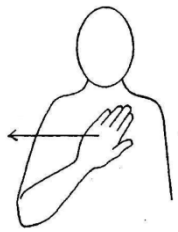

courage

Flat hand moves slightly forward to GOOD hand

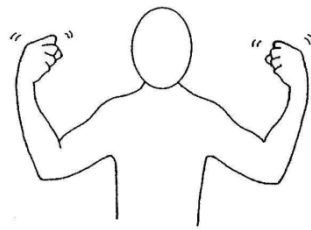

You thought that my pride was gone

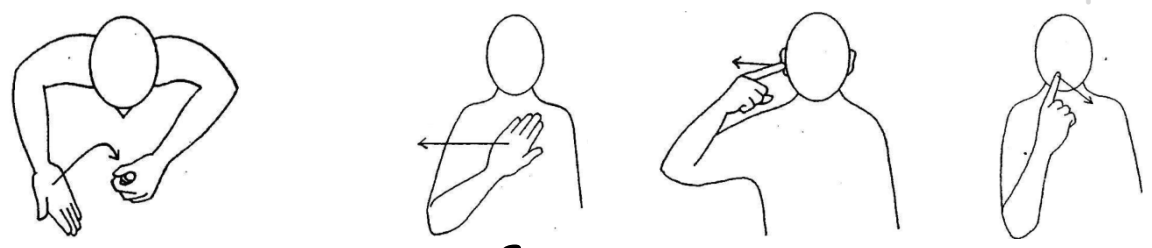

Oh no, something inside so strong

Oh oh oh oh oh

something inside so strong

Speak

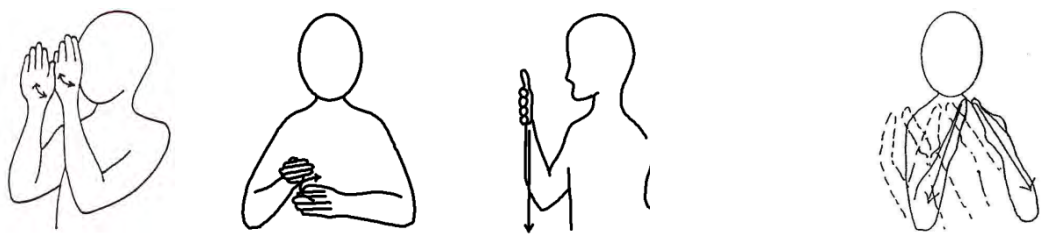

The more you refuse to hear my voice

The louder I will sing

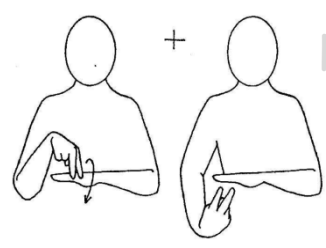

Right hand behind left hand makes small alternate movements from one side of face to the other at eye level

You hide behind walls of Jericho

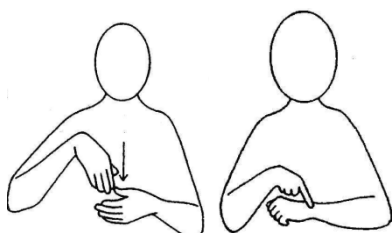

Index finger tip draws sharply across chin from left to right

Fall off

Your lies will come tumbling

Tap twice

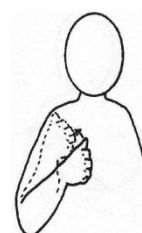

Deny my place in time

Mime as appropriate

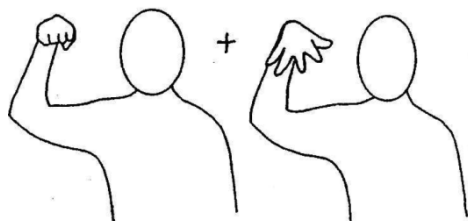

Rub fingertips and thumb together

sign MY with small upwards twist of wrist

You squander wealth that's mine

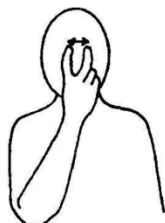

+

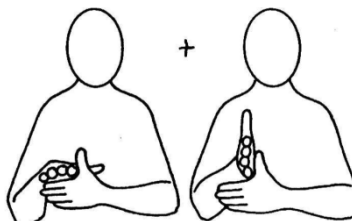

good

My light will shine so brightly

Clawed index and middle finger move across eyes, small movement

It will blind you. Cos there's.....

Brothers and sisters

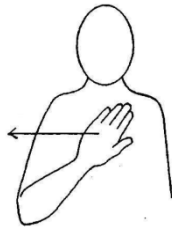

speak

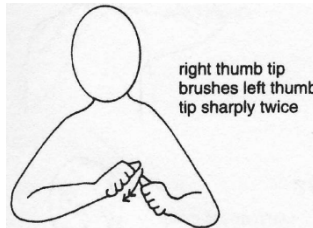

we

When they insist we're

just not good enough

right thumb tip
brushes left thumb
tip sharply twice

When we know better

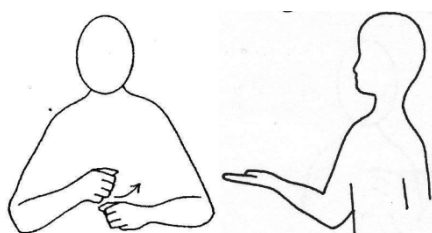

Two fingers
are slightly
apart

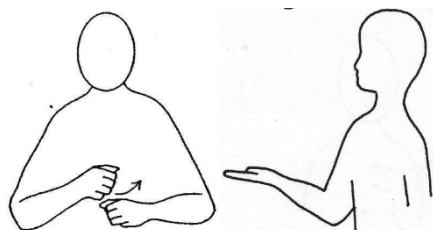

point to both for
EYES

Just look 'em in the eyes and say

I'm gonna do it anyway

I'm gonna do it anyway
