

Song: The Flood

Standing on the edge of forever

At the start of whatever

Shouting love at the world

Back then we were like cavemen

But we met the moon and the stars

Then we forgave them

We will meet you where the lights are

The defenders of the faith we are

Where the thunder turns around

They'll run so hard we'll tear the ground away

You know no one dies

In these love drowned eyes

Through our love drowned eyes

We'll watch you sleep tonight

Although no one understood, we were holding back the flood

Learning how to dance the rain

We were holding back the flood

They said we'd never dance again

Breathing But none of us leaving

wash your mouth, son

Or you'll find yourself floating home

Here we come now on a dark star

Seeing demons, not what we are

Tiny minds and eager hands

Will try to strike but now we'll last the day

x1

There's progress now where there once was none

x1

Where there once was not

Then everything came along

Although no one understood, we were holding back the flood

Learning how to dance the rain

There was more of them than us

Now they'll never dance again

Although no one understood there was more of them than us

Learning how to dance the rain

We were holding back the flood

They said we'd never dance again

We will meet you where the lights are

The defenders of the faith we are

Where the thunder turns around

They'll run so hard we'll tear the ground away

Although no one understood there was more of them than us

Learning how to dance the rain

There was more of them than us

Hold on. (repeat)
